

New in the fleet!

C6E & C10E

Fully electric cranes

Zero emissions

Radio-control

High lifting capacity

New in the fleet!

C6E & C10E

Fully electric cranes

The Hoeflon C6e and C10e are compact powerhouses. The C6e is a true all-rounder with a lifting capacity of 3,000 kg, a lifting height of up to 16 meters, and a 4.3-meter Fly Jib for added flexibility. Thanks to its rotatable outriggers, it's always stable and can even lift more than its own weight.

The C10e weighs 4,700 kg and utilizes the full capacity of a 4-ton mini crane. Its compact size allows it to move effortlessly through narrow passages and is suitable for a variety of tasks, from installing glass and precisely positioning steel beams to moving entire production lines.

High lifting capacity

Technical specs

Type	C6E	C10E
Rental number	962206	962210
Capacity (kg)	3.000	4.000
Capacity at max. outreach (kg)	210	209
Winch capacity (kg)	3000	4000
Lifting height incl. jib (m)	16,00	22,00
Max. outreach incl. jib (m)	13,70	19,80
Jib length (m)	4,30	5,00
Boom outreach (m)	13,70 (zonder opties 9,25)	19,00 (zonder opties 13,70)
Boom angle (°)	-5 tot 83	-5 tot 83
Incline angle (°)	15	20
Slewing range	Eindeloos	Eindeloos
Total weight incl. options (kg)	2.850	4.700
Total weight excl. options (kg)	2.120	3.260
Ground pressure (kg/cm ²)	0.79	0.72

Dimensions

Length (m)	2.98	3.93
Width (m)	0.77	0.8
Height (m)	1.88	1.97
Dimensions incl. options	3.20 x 0.77 x 2,00	4,15 x 0,80 x 2,07

Charging options

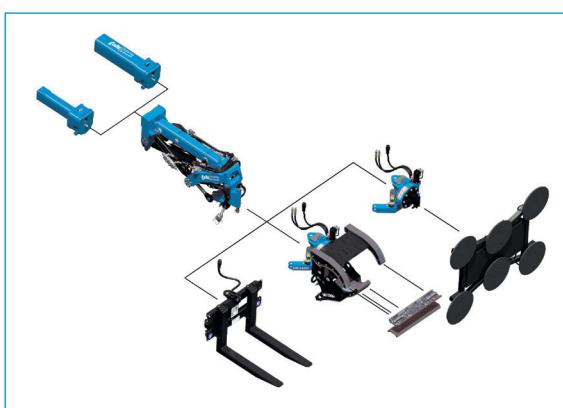

Batterij (V)	230	230
--------------	-----	-----

100% electric

Maximum capacity with minimal weight

Extremely maneuverable

Flexible outrigger system

Multitool available on request
