New in the fleet!

LL20.10, LL26.14, LL33.17, LL40.18 Spiderlifts

These spider lifts are suitable for carrying out a wide range of work at height, allowing you to work safely even in the most demanding environments.

Thanks to its high performance in terms of height, reach and capacity, it becomes easy to carry out tasks such as: tree pruning, painting, indoor and outdoor renovations, cleaning, installation of solar panels and signs, bridges, amusement parks and hotel maintenance, roof and gutter maintenance, installation and maintenance of electrical systems and much more.
