

5095

Wheel Loaders 0.7 - 0.95 m³

The down-to-earth performer

The new 5 Series models feature simple operation, compact design, and manoeuvrability. Even in the economy class, the rigid frame and all-wheel steering provide all the Kramer benefits such as constant payload, stability, and manoeuvrability.

- Undivided frame and all-wheel steering for constant payload and manoeuvrability
- The 5085T features a hydraulic quick-hitch system and a parallel loading system as well as Z-kinematics.
- Spacious newly developed cab with superb all-round visibility
- Efficient high-pressure drive system for low operating costs and high thrusting force
- Diverse options provide versatility
